Regional Conservation Conversations  
Celebrating the CIA and OSWA Grant Program Success Stories

Join us and our co-hosts to visit land conservation success stories made possible by the Connecticut Department of Energy & Environmental Protection's [Open Space & Watershed Land Acquisition Program](#) (OSWA) - funded by the [Community Investment Act](#) - and other state, federal, and local investments.

Enjoy a fun, informal walk and talk with State legislators, other elected officials, land trust representatives, and community leaders. Events are free and open to land trust members and others interested in discussing your state, regional, and local conservation priorities.

**Lower Connecticut River Valley - Haddam**

**Tuesday, June 26, 4:00 - 5:00 pm**
