

CONNECTICUT
Land Conservation Council

Yes! I want to support CLCC and its work with land trusts, communities, and policy leaders throughout Connecticut!

CLCC is funded primarily through membership contributions like yours. Your support means that CLCC can advocate for land conservation and stewardship, funding, and host the trainings and gatherings needed to ensure the long-term strength and viability of the land conservation community across Connecticut. THANK YOU!

This year your new or increased gift will leverage an additional \$20,000 matching grant. That means we can double our efforts to serve land trusts, commissions, and their communities - and ensure we increase the pace of conservation.

Your gift is critical.
