

CONNECTICUT  
Land Conservation Council

**The Sandy Breslin Conservation Fellowship Program**

**Focus Area: Land Conservation Policy and Advocacy**

**Reports To:** CLCC Executive Director

**Context:** Helps to organize and implement campaigns and initiatives focused on land conservation issues that CLCC is engaged in at the state legislature and regulatory agencies.

**Scope:** Under direction of the Executive Director, helps achieve CLCC's annual Conservation Agenda and advocacy programmatic objectives.

**Responsibilities may include:** participation in planning policy efforts, assistance in developing and maintaining government and political contacts, tracking regulations and legislation, engaging in outreach to the statewide land conservation community and partners, including through social media and other communication channels, planning of lobby day(s), maintenance of CLCC's policy webpage, and other tasks, as assigned by CLCC's Executive Director, to help CLCC achieve its advocacy objectives.

The ideal term for the Policy/Advocacy Fellow would one year, commencing in the Fall in advance of the state legislative session.

For more information and to explore available opportunities, please contact CLCC Executive Director Amy Blaymore Paterson at [abpaterson@ctconservation.org](mailto:abpaterson@ctconservation.org) or (860) 852-5512
