

2018-19 Individual Membership

Your donation will help make sure land trusts all over Connecticut get the support they need and the leadership they want at the Capitol. Funding for land conservation depends on it.

CLCC is funded primarily through membership contributions like yours. Your support means that CLCC can advocate for land conservation and stewardship, funding, and host the trainings and gatherings needed to ensure the long-term strength and viability of the land conservation community across Connecticut. THANK YOU!

Yes! I want to support CLCC and its work with land trusts, communities, and policy leaders throughout Connecticut!
