# 2021 CONSERVATION CONVERSATION

*Join us to celebrate OSWA grant program success stories!*

Co-hosted by Madison Land Conservation Trust and  
Connecticut Land Conservation Council

Join us for an informal walk and talk with state legislators, other elected officials, and community members through a land conservation success story made possible in part by the CT DEEP's Open Space and Watershed Land Acquisition Program (OSWA) and the USDA-USFS Community Forest Program.

We will also honor the memory of Betty Lowry as she is an integral part of this great land conservation story.
