Join us for a conversation on CT's land conservation efforts and celebrate the grand opening of Steep Rock's Johnson Farm Preserve with state legislators, agency officials, and community members. This land conservation success story was made possible in part by CT DEEP's Open Space and Watershed Land Acquisition Program (OSWA) - funded by the Community Investment Act.

October 15th

Conservation Conversation: 4-4:30pm

Johnson Farm Preserve Grand Opening: 4:30-4:45pm

Guided Hike on the Preserve: 4:45 - 5:30pm
