

NO DOGS

During COVID-19

**If you can't cooperate
we will be forced to close to all.**

See kiosk for full policy.

Text "Give" to 203-349-9576 if hiking here gives you joy.

COVID-19 Policy

Keeping our preserves open as long as we safely can is important. To do this, we need your cooperation.

Please leave your dog home. Why?

1. At this time dogs are creating too many opportunities for close human contact that can enhance opportunities for viral transmission between people.
2. Our trail traffic is dramatically increasing and more dogs create more stress for wildlife during breeding season. As a conservation organization, we can never forget that responsibility.

Please observe the latest recommendations regarding social distancing.

Stay six feet or more apart at all times. No groups larger than 10.

We will be closely monitoring developments and recommendations from Federal, State, and local officials and will provide updates, as needed.

Trout Brook Valley is being heavily visited as a result of COVID-19.

Aspetuck Land Trust has 39 other open spaces you can enjoy. Visit www.aspetucklandtrust.org for directions.

Thank you for your help. Stay safe and healthy.
