

Sandy Point Nature Preserve

This property was donated to Avalonia Land conservancy in 1982 for the primary purpose of being a wildlife sanctuary. By deed, human visitors are permitted only to the extent that wildlife is not impacted.

A permit is required for entry (Open Dawn To Dusk)

To obtain a permit contact The Stonington Community Center

Due to the detrimental effect on wildlife, the following activities are Prohibited:

- ***Dogs (or other pets) - even on a leash***
- ***Kite flying or parasailing***
- ***Entering roped-off areas***
- ***Open fires or fireworks***
- ***Camping***
- ***Hunting***

Leave no trace - Please pack out everything you brought in.

Thank you for your cooperation. Enjoy this beautiful place and let the endangered species thrive here too.
